The COVID-19 outbreak has caused financial hardship for many people in Britain.

For roughly how much longer would you imagine the current situation can continue before you and your household face extreme financial difficulties?

By extreme financial difficulties we mean, for example, not having enough money to buy food and other basic items, not being able to pay utility bills and not being able to pay for rent or mortgage.

My household is already facing extreme financial difficulties	13	14	12	8	18	19	9	3	15	19	6

At some point in the future the rules in place because of COVID-19 will be relaxed. Do you think that it would be the right or wrong decision for the government to set out a clear path for coming out of the lockdown?

Right decision - it is good to know what the government is planning	46	50	41	42	49	50	32	46	47	50	39
Wrong decision - it is not yet sufficiently clear what is happening with COVID-19 infections to make firm plans	46	41	50	50	40	39	61	51	44	38	55
Don't know	9	9	8	8	11	12	8	3	9	12	6

The British government is meant to be taking part in negotiations with the European Union as part of the process for Britain leaving the EU, but the COVID-19 outbreak has meant these negotiations have had to be delayed. The transition period is set to come to an end on 31st December this year, regardless of whether or not any settlement has been reached in the negotiations. Which of the following do you think would be best for Britain?

The transition period should be extended because of the COVID-19 outbreak	56	54	59	52	50	60	71	61	50
The transition period should not be extended despite the COVID-19 outbreak	30	32	32	34	29	26	21	30	31
