Thinking about the impact of lockdown on your job, or income, which one of the following best reflects your view on lockdown?

I'm quite happy to stay at home so long as I'm being paid or getting furlough money	50	52	49	59	39	48	57	35	51
I would now prefer to get back to work if there was a risk my company will shut down or carry out redundancies	25	24	27	20	30	25	23	40	27
The long term effects of remaining at a standstill for me and for the country are too severe and we must get back to work now	11	13	4	15	22	13	14	6	3
